2. QUESTIONS & ANSWERS

Q1: Part C, Item 10 may be interpreted to say that this RFP is open only to DBE firms. Is the solicitation open to firms who do not qualify as a DBE?

A1: Yes. There is no weight associated with this criterion.

Q2: Will multiple term contracts be awarded, or does the Department envision awarding a sole-source contract?

A2: This is a competitive sealed proposal. Reference RFP Package, Part A, Paragraph 15, Special Notices, items 15.3 and 15.4.

Q3: Is the Department interested in receiving responses that have limitations or caps on certain services? We may not have staff in all areas to adequately respond at all times during the year, and do not want to mis-represent our capabilities.

A3: No. Reference RFP Package, Part C, Paragraph 4

Q4: Does Article 4, paragraph 4.6 mean the Department expects immediate mobilization to the site, prior to acceptance of our proposal or issuance of a signed Job Order?

A4: The paragraphs preceding paragraph 4.6 describe the process in more details. The Contractor's personnel are expected to be on-site as directed by the verbal Notice to Proceed.
